**Re: Frank Golata Outstanding Outfitter Award**

Dear Mr & Mrs Dickson,

On behalf of the Yukon Fish and Wildlife Management Board, I would like to congratulate on you on your receipt of the 2018 Frank Golata Outstanding Outfitter Award.

As you know, the award “recognizes a North American outfitter, who outfits primarily for mountain game, whose entire career has exemplified the honor and dignity of the proud profession of outfitting”. We applaud your many contributions and long standing commitment to the Wild Sheep Foundation and to the outfitting industry as a whole.

We recognize the foundational role First Nations guides play in the history (and present day) of outfitting, and we are proud that you have been honoured for your passion for the Yukon’s land and wildlife. We believe that you showcase a true conservationist mindset in the industry and lifestyle of outfitting, as Frank Golata did.

Congratulations again on the recognition of your family’s legacy of hard work, dedication, and passion for outfitting.

Sincerely,

A handwritten signature in black ink, appearing to read 'John Burdek'.
