Re: Request for meeting regarding Moose harvest regulation changes.

Dear Graham,

Yukon Conservation Society very much appreciates the Board's offer to meet in February to discuss the proposed Adaptive Moose Management regulation changes.

While I shall probably not be available to participate in person (I can call or Zoom in), our staff and some of our Wildlife Committee will definitely attend.

I think it will be easiest if you communicate with Davon Callander to arrange a mutually convenient time.

Regards,

Sebastian Jones
