Carl Sidney, Chair  
Yukon Fish and Wildlife Management Board  
Box 31104  
Whitehorse, YT Y1A 5P7

Dear Chairman Sidney:

**Re: Elk Agriculture Working Group**

Thank you for your review of the issues under consideration by the Elk/Agriculture Working Group. As you are abstaining from providing a recommendation with respect to the proposed management approach regarding elk, I will direct my staff to engage with our Agriculture Branch colleagues to proceed with the approach outlined in our briefing.

The Fish and Wildlife Branch Director will provide the Board with briefings and program updates at subsequent Board meetings as your agenda permits.

Mahsi,

Pauline Frost  
Minister of Environment
