Dear Mr. Sidney:

RE: 2020 Yukon Fish and Wildlife Management Board Recommendations for Moose Adaptive Management Regulation Changes 1, 2 and 3

Thank you for the Board's recommendations regarding the Department of Environment's moose proposals 1, 2 and 3.

Pursuant to 16.8.4.1 of the Umbrella Final Agreement, I am requesting a 30-day extension to the timeline to provide a response to the Board's recommendations on the three moose proposals. I note that your recommendations were delivered to my office on July 10, 2020 and consequently, I will consider that your recommendations were made as per the date of receipt rather than the letter date of June 19, 2020.

This additional time will allow for full and fair consideration of your recommendations, including a thorough discussion and review with my cabinet colleagues.

I look forward to providing you with my response on or before October 8, 2020. In the meantime, per 16.8.3 of the Umbrella Final Agreement, confidentiality requirements regarding these recommendations remain in place.

Mahsi,

Pauline Frost
Minister of Environment
