Dear Mr. Sidney,

Re: Dall Sheep Adaptive Management - Game Management Zone 7 East

Thank you for your March 10, 2022, letter of support of our proposed changes to the sheep Permit Hunt Authorization allocations for Game Management Zone 7 East. Your collaboration on the design of the 2020 and 2021 Zone 7 east sheep hunter surveys helped inform this decision and was much appreciated.

Sincerely,

A handwritten signature in blue ink, appearing to read "Nils Clarke", with a long horizontal flourish extending to the right.

Nils Clarke
Minister of Environment
